Certificate Completion Request
Underwater Crime Scene Investigation

To receive an approved certificate, students must:

* Complete the required number of credit hours of course work from the approved list of courses on each individual certificate program page; and

* Earn a grade of "C-" or higher in EACH OF THE COURSES completed; and

* Submit this Certificate Completion Request Form requesting completion of the certificate at the beginning of the term in which the requirements for the certificate will be complete.

Courses used to satisfy one certificate may not be used to satisfy another certificate. Students must request completion of the certificate BEFORE completion of a bachelor's or master's degree has been earned. Certificates cannot be awarded or posted once the degree-seeking program has been completed.
